

Team Around The School

Empowering Families by Working Together

What is Team Around The School? We are pleased to inform you that our school is taking part in the Sefton Team Around The School Pilot. Everyone needs help and support at times and that's ok. The Team Around the School (TAS) are a team of practitioners who will work with you - to ensure that your worries are dealt with at the earliest point and to ensure that you, your child and family receive the help you need as soon as possible.

Meet the Team

Our dedicated team of practitioners are here to help.

As part of our team we have two Team Around the School Practitioners

Andy Fleming and **John Cockburn**

How does it work?

Speak to someone in school or contact a member of the TAS team. Alternatively, come along to one of the Team Around the School events e.g. drop ins, parent workshops etc. Further information will be provided via the school app or on request.

Let us know what worries you have and then we can work out the best support for you, your child and your family so that we can find a solution and offer you the appropriate support to ensure positive outcomes for all.

What can we help with?

Family routines

Health Concerns

Drug and Alcohol
Misuse

Emotional Health
and Wellbeing
