Team Around The School

Empowering Families by Working Together

We are pleased to inform you that Waterloo Primary School & Nursery are taking part in the Sefton Team Around The School Pilot.

Everyone needs help and support at times and that's ok.

The Team Around the School (TAS) are a team of practitioners who will work with you - to ensure that your worries are dealt with at the earliest point and to ensure that you, your child and family receive the help you need as soon as possible.

How does it work?

Speak to someone in school or contact a member of the TAS team. Alternatively, come along to one of the Team Around the School events e.g. drop ins, parent work-shops etc.

Our drop ins start today, 10th November and then every other Friday, 9am - 10am in the Family Well-being Centre.

You can let us know what worries you have and then we can work out the best support for you, your child and your family so that we can find a solution and offer you the appropriate support to ensure positive outcomes for all.

TAS Practitioners for Waterloo Primary School and Nursery are:
Andy Fleming and Mary-Lou Liston.

The TAS team can help with Family routines, Health Concerns, Drug and Alcohol Misuse, Emotional Health and Wellbeing, Housing Support, Parenting, Speech and Language, Managing Behaviour, Money Worries, Parental Relationships.
