I will be able to:

- Know the vocabulary of the different subjects
- Use the correct pronunciation of the vocabulary
- Say and write different phrases to show how much they like or dislike a subject
- Use singular and plural verbs correctly
- Use singular and plural articles correctly
- Know that adjectives must match the noun in terms of gender and singularity or plurality.
- Know how to conjugate the verbs gustar and encantar with 'ria' to make the future tense
- Know to change the verb to the negative you place no before it
- Understand the meaning of y and pero
